This Historic MORRIS MINI 998cc COOPER MARK 2 is Finished in TARTAN RED with a SNOWBERRY WHITE ROOF and ORIGINAL BLACK TRIM. This car was BUILT on 27th AUGUST 1969 making it ONE of the LAST MK2s to be built with SLIDING OPENING DOOR WINDOWS and EXTERIOR DOOR HINGES according to its HERITAGE CERTIFICATE that is Supplied with the Car. The Car is also Fitted with MINILITE ALLOY WHEELS and Period Wing Spats. The HISTORY FILE supplied with the car DATING BACK to 1980 Suggests that the CURRENT MILEAGE of ONLY 65,000mils is CORRECT with OLD MOTs dating from 1984 and a Letter from a previous Owner on 14th of AUGUST 1987 stating that the Mileage then was JUST 58,000mils backing up the Mileage ,so the Car has ONLY TRAVELLED 7,000MLS in the LAST 35 YEARS which is AMAZING. The HISTORY FILE also SHOWS that in 1980 a NEW REAR SUB FRAME was fitted and Around 1987 the Car was TOTALLY REBUILT with a Colour Change from its Original Sandy Beige to its current Tartan Red which on Inspection must have Bee...
